

EPIC EM INSTRUCTOR VACANCY

EPIC EM

Join the EPIC EM Instructor Team

At **EPIC EM**, we don't just teach, we **transform**.

Our mission is to uplift clinicians, patients, and communities through **education that saves lives**, grounded in purpose, collaboration, and hope.

We're looking for a passionate, skilled **Emergency Care Practitioner (ECP)** to join our growing national instructor team.

The Role

As an **EPIC EM Instructor**, you'll teach across our accredited programs, from **AHA courses to trauma and airway mastery**, and contribute to the development of new and innovative learning experiences that change how emergency medicine is taught across South Africa.

You'll be part of a small, dedicated team of educators who live our five pillars every day:

1. **Putting the Patient First** – every scenario, every decision, every class
2. **Inspiring Sign of Hope** – modelling ethical leadership and compassion
3. **Courage & Strength** – teaching what is right, not what is easy
4. **Help, Resilience & Renewal** – fostering collaboration through challenge
5. **Support & Optimism** – creating safe, empowering spaces for learners

Minimum Requirements

- **Registered Emergency Care Practitioner (ECP)**
- **3–4 years of clinical experience** in prehospital or emergency care
- **AHA Instructor** in BLS, ACLS, and PALS (preferable)
- **ITLS Instructor**
- **At least 1 year of instructor experience** in formal training environments

What We Offer

- Opportunity to teach on **advanced trauma programs** (GRITT is our new course offering)
- Involvement in **advanced airway and ventilation** teaching
- Ongoing mentorship and personal development
- Collaboration with an experienced, supportive instructor network
- Opportunities to **travel and teach** across South Africa's rural and urban centres
- A culture built on **trust, growth, and shared purpose**

Who You Are

You're the kind of educator who:

- Believes that **exceptional education leads to exceptional patient care**
- Thrives in **team environments** and values mutual respect
- Leads with **kindness, courage, and professionalism**
- Is ready to **grow, contribute, and shape the future of emergency medicine**

About EPIC EM

At EPIC EM, we live by our **Purpose in Action**, not a static mission statement, but a dynamic commitment to deliver **exceptional emergency education** through unwavering passion and collaboration.

We strive to **uplift patients, practitioners, and communities**, creating meaningful and lasting change.
